STUDENT CONDUCT ON SCHOOL BUSES **6010**

Students riding buses are subject to Wisconsin Statutes dealing with bus transportation, Board of Education policies, rules and procedures established by the Bus Supervisor, and reasonable rules and procedures as determined by the bus drivers.

Students who do not cooperate or conduct themselves in a manner conducive to the safety of themselves or others, shall be disciplined by the Administrator. Drivers shall report violations of rules to the Bus Supervisor on the Bus Conduct Report form, a copy of which shall be mailed to the Administrator.

Students may be suspended from riding the bus by the Administrator. The bus company may refuse to transport a pupil only after a report of the circumstances is made to the Administrator. Parents shall be notified in writing when riding privileges have been denied.
