Dear Liesl,

Thank you for submitting a proposal application to the Ways and Means Committee of the Kettle Moraine Garden Club. After careful consideration and review, KMGC is pleased to announce that your request for grant funding for the planting of a new flower bed around a new school sign at your site was approved on October 20, 2016.

Enclosed is a check for a grant award of \$1000.00 to be specifically used for this project in 2017. Going forward, please let us know if and when KMGC may be recognized as a donor for this funding (on your website, in your newsletter, and/or on a donor sign). A written update on the project completion in 2017 would also be most appreciated by our committee.

Through its fund raising efforts, the Kettle Moraine Garden Club, a member of the Garden Club of America, is pleased and honored to give grants to worthy projects aligned with our mission.

Sincerely yours,

Mary Stippich
