

**THE NORTH LAKE SCHOOL DISTRICT
NOTICE OF EDUCATIONAL OPTIONS
FOR CHILDREN WHO RESIDE IN THE SCHOOL DISTRICT
as required by WI Statutes 115.385 & 118.57**

The North Lake School District offers students a variety of educational options to children who reside in the District. The District's primary educational pathway and instructional program for students involves a progression from 4K through 8th grade.

North Lake School's most recent performance category, as assigned by the Wisconsin Department of Public Instruction (DPI) under section 115.385 of the state statutes, is: Significantly Exceeds Expectations. The full version of the most recent school report, can be accessed via the District's website: <http://www.northlakeschool.org>

Some of the specific education programs offered to eligible students who are enrolled in and attending North Lake School include, but are not limited to, the following:

- Early childhood special education (for children who are at least 3 years old but are not yet school-age)
- Career and Technical Education (CTE) programs
- Gifted and Talented programs
- Individualized programming and academic interventions
- District-wide Technology Integration
- Science, Technology, Engineering & Mathematics (STEM) programs
- Special education for students with disabilities
- Summer school programming
- Choral and general music programs
- Instrumental music programs
- Art programs
- Library programs
- Spanish program (Grades 7 & 8)
- Guidance program
- 4-year-old Kindergarten program

Educational options for students who are enrolled in Arrowhead High School that involve part-time attendance at an additional educational institution include the following:

- Students may attend Arrowhead High School for advanced Math courses

Additional educational options for children who reside in the District that involve full-time enrollment/attendance at a school, program, or other educational institution that is not a school or instrumentality of the North Lake School District include the following:

- Full-time Open Enrollment involving physical attendance in a public school of a nonresident school district or attendance through a virtual charter school that is associated with a nonresident school district.
- Beginning in the 2016-17 school year, a child with a disability who meets the program's specific eligibility requirements may apply to attend an eligible, participating private school under a scholarship awarded through the state's "Special Needs Scholarship Program," as established under section 115.7915 of the state statutes.
- Enrollment in a private school of the family's choosing (at the family's own cost, as applicable).
- Enrollment in a home-based private educational program as provided under state law.

Educational options for children who reside in North Lake School District boundaries but who are enrolled in and attending a private school or home-based private educational program include the following:

- Such students have the opportunity to attend summer school classes/programs offered in the District, provided eligibility requirements are met.
- Students who are enrolled in a home-based private educational program have the opportunity to:
 - Apply for approval to take up two courses per semester in public schools, provided space is available and pursuant to section 118.53 of the state statutes.
 - Participate in District interscholastic athletics and other District extra-curricular activities as provided under section 118.133 of the state statutes.

For more information about any of the educational options listed in this notice, please contact the North Lake School office at 262-966-2033 or the Wisconsin Department of Public Instruction.
