### **b. General Mills Box Tops for Education**

- We are currently in the middle of another exciting box tops contest, created by Pam Stelzner! The *Cat in the Hat* themed contest involves competing homerooms. All the teachers photos adorned with Cat in the Hat hats, are posted outside the office. For every 5 box tops that are collected from someone in their homeroom, the teacher's hat gains a stripe. Come check it out...some of these hats are quite large! This particular contest ends 3/24/2017.
- **In one week, students have collected more box tops (3457) than those collected over the past four months combined (2641)! Wow!!**
- **Keep saving those box tops all year long! You will still be able to use them for the end-of-the-year raffle.**
- Pam has discovered a Box Tops APP that involves taking a picture of your grocery receipt and extra box tops can be submitted on behalf of North Lake School! We will provide directions on how to get on board with this cool new tool in future issues of the *PBC Minutes/The Wave*.
