Corporate Sponsorship Form

STEM PROGRAM

Please consider sponsoring North Lake School's Project Lead the Way/STEM Lab. Project Lead the Way (PLTW) is the nation's leading provider of Science, Technology, Engineering, and Mathematics (STEM) education programs in elementary, middle and high schools across the country. North Lake School is upgrading 25 desktop computers to better meet the demands of 21st century learning. We are also expanding the scope of our STEM program for the 2017-18 school year.

Your donation will help North Lake School fulfill our mission to prepare our kindergarten through eighth grade students for high school and beyond. Students will be engaged in robotics, coding, and design & modeling programs.

You are invited to visit our school, meet our young engineers, and see our STEM lab in action. Please do not hesitate to contact Liesl Ackley, Superintendent, at (262) 966-2033 ext. 153 with any questions or to schedule a tour.

Your tax-deductible donation will help to ensure the success and sustainability of our program. North Lake School's tax exempt number is 39-6003406. If a receipt is needed, we would be happy to provide the documentation. Thank you, in advance, for your generous gift.

GIFT AMOUNT

\$10,000 \$5,000 \$1,000 \$500 Other Amount _____

Please make checks payable to **North Lake School District**
