

How would you like to spread the word about your business? Possibly gain 300+ new clients/customers? After the 300+ new clients/customers tell their friends and family members...who knows how many new clients/customers you could have! This brings us to a GREAT opportunity for every business owner.

North Lake School consists of roughly 350 students for a total of approximately 240 families. In the 2017-18 school year, we are going to incorporate business advertisements into our school directory. Every family at North Lake School refers to this directory for phone numbers, addresses, names and grade levels all year long. Please consider helping North Lake School and more importantly promoting your business, by purchasing an ad in our directory. Your donation is tax deductible.

Ad sizes (ads will be in black and white with your artwork):

- Full page: \$200
- Half Page: \$100
- Business Card Size: \$50
