

PROFESSIONAL STAFF RECRUITING/HIRING

533

The Administrator shall recommend to the School Board employees for the School District. Should a person nominated by the Administrator be rejected by the Board, it shall be the duty of the Administrator to make another nomination.

It shall be the duty of the Administrator to see that persons nominated for employment shall meet all qualifications established by law and by the Board for the type of position for which nomination is made, and are able to perform the essential functions of the job.
