

**SCHOOL CENSUS**

**6001**

The school count shall be determined by conducting a school district census annually at such time as prescribed by statute. The district census shall show the name and date of birth of each person under 21 years of age on September 1 during the year the census is taken. The census will also include the name and address of his/her parent, guardian or other person having charge of such child, and such other data as the School Board may require.

The Board or its designee will select the appropriate personnel to assure the annual census is in compliance with current statutes.
