

STUDENT EXPULSIONS

6014

The Board may expel a student from school in accordance with Wisconsin Statutes and shall expel a student when required by law to do so. Wisconsin Statutes provide the following guidelines for student expulsion:

Prior to an expulsion, the Board shall hold a hearing regarding the alleged conduct.

At least 5 days written notice shall be sent, to both the student and the parent or guardian. The notice shall specify the particulars of the alleged refusal, neglect, or conduct, stating the time and place of the hearing and stating that the hearing may result in the student's expulsion and shall include additional information required by law.

The student and, if the student is a minor, his/her parent or guardian may be represented at the hearing by counsel. The Board shall keep written minutes of the hearing.

If the Board orders the expulsion of a student, the School District Clerk shall mail a copy of the order to both the student and his/her parent or guardian.

The expelled student or, if the student is a minor, his/her parent or guardian may appeal the expulsion to the State Superintendent. An appeal from the decision of the State Superintendent may be taken within 30 days to the Circuit Court of Waukesha County.

The Administrator may suspend a student for not more than 15 consecutive school days if a notice of expulsion hearing has been sent.
