

RELATIONS WITH FIRE AUTHORITIES

8007

The school administration will cooperate in every way possible in the inspection of buildings and school facilities by local fire authorities and will comply with local and state recommendations as soon as possible.

Members of the local fire department play a vital role in the school safety programs. It shall be the responsibility of each building principal to:

1. Establish and maintain relationships with the local department.
2. Work with his faculty in determining the nature and timing of the fire department's participation in the school program.
3. Coordinate and supervise the planned activities.
