**Corporate Sponsorship Form**

**STEAM PROGRAM**

Please consider sponsoring North Lake School's Project Lead the Way/STEAM Lab/Maker Spaces. Project Lead the Way (PLTW) is the nation's leading provider of Science, Technology, Engineering, Arts, and Mathematics (STEAM) education programs in elementary, middle and high schools across the country.

Your donation will help North Lake School fulfill our mission to prepare our kindergarten through eighth grade students for high school and beyond. Students will be engaged in robotics, coding, design & modeling and, NEW IN 2020-21, manufacturing programs.

Please do not hesitate to contact Liesl Ackley, Superintendent, at (262) 966-2033 ext. 153 with any questions. You may also visit the foundation website (supportnls.org) to learn more about this amazing partnership.

Your 100% tax-deductible donation will help to ensure the success and sustainability of our program. Thank you, in advance, for your generous gift. In return, your corporation's name and logo will be listed on the Maker Space sponsorship plaque.
