GET TO KNOW YOUR GREAT K-8!

WHAT IS A K-8/UHS MODEL?

Union high schools (UHS) districts educate students from multiple feeder K-8 districts at a single high school location.

There are 10 UHS Districts in WI.

**UHS systems lead to
higher academic
achievement!**

Research supports higher test scores in smaller K-8 districts than larger K-12 districts! This data places UHS model districts among the top performing districts in the state.

MORE BENEFITS OF A K-8/UHS MODEL

Increased accountability exists because of locally elected school boards!

Faster innovation because K-8/UHS districts can advance more quickly than K-12 districts can.
