II. EMPLOYMENT

NOTICE OF VIDEO SURVEILLANCE

The Board authorizes the use of video surveillance and electronic monitoring equipment at various school sites throughout the District and on school buses. Wherever the terms video surveillance or electronic monitoring are used, such reference includes both video and audio surveillance as possible technologies employed.

The District Administrator is responsible for determining where to install and operate fixed-location video surveillance/electronic monitoring equipment in the District. The determination of where and when to use video surveillance/electronic monitoring equipment will be made in a nondiscriminatory manner. Video surveillance/electronic monitoring equipment may be placed in common areas in school buildings (e.g. school hallways, entryways, the front office where students, employees and visitors are permitted to freely come and go, gymnasiums, cafeterias, libraries), the school parking lots and other outside areas, and in school buses. Except in extraordinary circumstances and with the written authorization of the District Administrator, video surveillance/electronic monitoring equipment shall not be used in areas where persons have a reasonable expectation of privacy (e.g. restrooms, locker rooms, changing areas, private offices (unless there is express consent given by the office occupant), or conference/meeting rooms), or in individual classrooms during instructional times.

Any person who acts to block, move, or alter the location and/or viewing angle of a video camera shall be subject to disciplinary action.

The Board will not place video surveillance/electronic monitoring equipment for the purpose of obtaining information for routine staff appraisal/evaluation or monitoring; however, video footage captured in the normal course of surveillance which shows information pertinent to staff performance or conduct may be used for that purpose.

After one (1) year of service	5 days
After two (2) years of service	10 days
After six (6) years of service	15 days
After sixteen (16) years of service	20 days

Vacation days shall be earned for each month of service. Vacation though credited at the beginning of each fiscal year is vested only upon completion of the work year. If an employee is terminated or resigns prior to the completion of the school year, he/she will be credited only with those days earned at the time employment is severed and a sum equal to the vacation days used but not earned would be deducted from the remaining pay. Deductions will be based on paid vacation leave earned per month of employment. For example, if an employee was eligible for 10 days of vacation and left after six months of employment during the school year, the employee would have earned 6/12th of the vacation allotment, or 5 days of vacation. If the employee used more than 5 days of vacation prior to the end of the school year, he/she will have a pay deduction on his/her final paycheck the equivalent of the number of days used above 5 days.

Scheduling of Vacation

Vacation time may be taken in full blocks, in shorter blocks, or as arranged with the immediate supervisor. Requests for vacation time shall normally be made and approved at least five (5) working days prior to taking such leave, however, vacation time requested with less than five (5) working days' notice may be approved by the District Administrator and/or his/her designee. No employee may be denied the ability to take all of his or her accrued vacation during a twelve (12) month period, but the District Administrator and/or his/her designee shall have the right to schedule vacations on a first-come, first-served basis, as necessary to accomplish work objectives. All vacations shall be taken during the school vacation months except by special arrangement with the immediate supervisor or his/her designee.

Vacation Accumulation

Vacation days not used by the end of the school year (June 30), shall be forfeited if not used by August 31.

Payment upon Termination/Transfer to a Position Not Eligible for Vacation

Any employee who terminates his or her employment for any reason or any employee who transfers to a position that is not eligible for vacation is not able to use remaining vacation.

Alternate-Benefit Plan [ABP] in Lieu of Health Insurance

Implementation of the Alternative Benefit Plan for Eligible Employees: Eligibility for and payment toward coverage for individual employment groups are set forth in the applicable part of the *Handbook* covering such employees.

In order to access the ABP benefit, the employee must also provide reasonable evidence of (1) the employee declining to enroll in the employer-sponsored coverage and (2) the employee providing reasonable evidence that the employee and all other individuals for whom the employee reasonably expects to claim a personal exemption deduction for the taxable year or years that begin or end in or with the employer's plan year to which the opt-out arrangement applies (employee's expected tax family) have or will have minimum essential coverage (other than coverage in the individual market, whether or not obtained through the Marketplace) during the period of coverage to which the opt-out arrangement applies.

1. The Board may, at its discretion, discontinue the cash compensation in lieu of health insurance benefit by providing the participating employees with written notice of not less than sixty (60) days and an "open enrollment" opportunity to enroll in the group health insurance plan.
2. Any employee who qualifies for participation in the District group health insurance plan may waive such participation and elect to receive cash compensation in lieu of the health insurance benefit. Where the District employs both spouses, one spouse will be eligible for participation in the ABP.
3. Employees eligible for insurance may annually choose, consistent with the terms of the cafeteria plan between:
 - A. Participation in the District's health plan, with the premium payment specified in the applicable part of the *Handbook* covering such employees, or

- B. A cash payment equal to the amount listed in the applicable part of the *Handbook* covering such employees.
4. Cash Compensation: The cash contribution dollar amount shall be equal to:

School Year	ABP Annual Amount
2023-2024	\$4,000.00

The amount of each additional cash contribution dollar amount shall be calculated by dividing the dollar amount stated above by the number of employee paychecks per year. Part-time employees who are employed at least thirty hours per week on average during the employer established measurement period who select the cash compensation shall receive a pro-rated amount of the District's contribution based upon the part-time employee's percentage of full-time employment.

- 5. The cash compensation amount shall be paid to the employee as additional taxable earnings with the appropriate employee FICA, state and federal taxes deducted from the teacher's payroll check.
- 6. Where the employee chooses cash, the District shall facilitate the deferral of cash to a tax-sheltered annuity (TSA) plan.
 - A. An employee electing taxable cash in lieu of health insurance is deemed to request the District to pay the cash unless the employee requests in writing to have the cash paid to the TSA vendor. The employee shall be permitted to change the TSA amount or vendor up to two times per calendar year provided he/she provides the District with at least thirty (30) calendar days' notice.
 - B. The District shall pay the cash to the TSA vendor on or about the normal payroll dates cash would have been paid. Amounts received as additional compensation, and deferred to a TSA vendor, shall be subject to all applicable payroll taxes, including FICA and Medicare.

Any employee whose TSA salary reduction amount exceeds the limitations of law is ineligible for additional deferrals to the TSA. The amount, which would have been contributed to the TSA except for the limitations of law, will be added to the employee's paycheck as taxable compensation subject to all applicable payroll taxes, including FICA and Medicare.

7. Beginning Eligibility Date for Alternative Benefit Plan Payments:
- A. New Employees: Payments shall be based on the employee's eligibility date. For new employees, this constitutes the employee's first day of active service. Employees not electing health coverage must enroll in the cafeteria plan prior to the employee's first day of active service. Thereafter, an annual election must be made during the benefits open enrollment period. However, the District will use the same rule for contributions as for health insurance payments; if the employee's first date of active service is after the 15th of the month, no ABP contributions is required in that month. If the employee's first date of active service is on the 1st through the 15th of the month, the District will contribute the payment.
 - B. Current Employees: Current employees changing to the ABP when permitted by applicable Internal Revenue Code section 125 "cafeteria plan" rules are only eligible to waive coverage for the health insurance and begin the ABP on the first payroll of any month. Absent a mid-year (January through December) cafeteria section 125 exception [such as an employee getting married, loss of spouse coverage, etc.], employees must make a written annual cafeteria plan election prior to each January 1 to permit the

election of the cash option in the next cafeteria plan year. Once the employee is eligible to begin ABP status, contributions will begin in that month.

8. **Wisconsin Retirement System (WRS) Contributions**

Effective January 1, 2024 the board agrees to contribute the employer's share of WRS to those employees working 880 or more hours per calendar year. The employee agrees to pay the employee's required WRS contribution as required by state statute requirements.

COBRA Law Continuation of District Health Plan Participation

The District, pursuant to the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) and state law, offers employees the opportunity to remain on the District's health, dental and vision insurance plan at the group rate in certain instances where coverage under the plan would otherwise end.

1. **Qualifying Events:** An employee, employee's spouse and an employee's dependent children (if any) covered by and participating in the District's health insurance plan (medical, dental, and vision), may qualify for continuation coverage if District-sponsored coverage is lost due to the occurrence of any of the following qualifying events:
 - A. Voluntary or involuntary termination of employment for any reason other than "gross misconduct" (e.g., resignation or retirement);
 - B. Death of the covered employee;
 - C. Divorce or legal separation from the covered employee;
 - D. Loss of "dependent child" status;
 - E. Eligibility for Medicare entitlement;
 - F. Reduction in work hours such that the employee no longer qualifies for coverage under the plan.
2. **Period of COBRA Continuation:** In the event of one of the above qualifying events, COBRA coverage is available for up to eighteen (18) months, but may be extended to a total of twenty-nine (29) months in certain cases of disability (see Disability Extension below) or up to thirty-six (36) months if a qualifying spouse or dependent suffers a second qualifying event. The employee, employee's spouse and each covered dependent has an individual right to request COBRA coverage. Additionally, any child born to or placed for adoption with a covered employee during a period of continuation coverage is automatically considered a qualified beneficiary.
3. **COBRA Extension [Second qualifying events]:** A spouse or dependent child may be eligible for COBRA extension coverage for a period of up to thirty-six (36) months if coverage is lost due to one of the following second qualifying events:
 - A. The employee's death;
 - B. Divorce or legal separation;
 - C. The covered employee becomes eligible for Medicare;
 - D. A child loses his or her "dependent child" status.

***Note:** The second event can be a second **qualifying** event only if it would have caused the qualified beneficiary to lose coverage under the plan in the absence of the first qualifying event.
4. **Premium Cost & Payment:** The cost for this extended continuation coverage shall not exceed the group rate in effect for an active group member, including the District's contribution (i.e., the total amount the employee and District have been paying for health

insurance coverage). If the cost for COBRA coverage changes during an employee's participation, the employee will be notified of the new premium in writing prior to its due date.

5. **Termination of Coverage:** Employee continuation coverage may be terminated automatically if:
- A. The employee fails to make a monthly premium payment to the District on time;
 - B. The employee obtains similar coverage through a different employer;
 - C. The employee becomes eligible for Medicare and converts to an individual policy;
 - D. The District terminates its health plan;
 - E. The employee's guaranteed continuation period expires.

The employee or a qualified beneficiary has the responsibility to inform the District of a divorce, legal separation, or a child losing dependent status under the group health plan within sixty (60) days of the qualifying event. The District will then notify any other covered dependents that are affected by the event of their right to elect COBRA coverage.

COBRA participants must also notify the District if they experience additional COBRA qualifying events during their COBRA term that might qualify them for additional months of extended coverage.

- F. **Disability Extension:** If an employee elects COBRA continuation coverage based on termination of employment or reduction of hours, and the employee or a qualified beneficiary from his or her family becomes disabled (as determined by Social Security) anytime within the first sixty (60) days of COBRA continuation coverage, the employee and his or her family's qualified beneficiaries may elect a special additional eleven (11)-month extension, for a total of twenty-nine (29) months of COBRA continuation coverage. To elect the eleven (11)-month extension, the employee must notify the Plan Administrator within sixty (60) days of the date Social Security determines that the employee or a qualified beneficiary from his or her family is disabled and within the first eighteen (18) months of COBRA continuation coverage. (The cost of COBRA coverage will increase from 100% to 150% of total premium during this additional eleven (11)-month extension period.)

The District may be required to investigate potential wrongdoings on the part of its employees. Such investigations may require that the employee answer questions relating to the activity. Employees may be required to answer such questions. Failure to cooperate in an investigation may result in discipline, up to and including termination of the employee. In cases where this possible wrongdoing may involve criminal activity, the District shall inform the employee that answers to questions relating to the employee's conduct may be used by the District for determining appropriate discipline, but will not be provided to law enforcement officials in the course of their independent criminal investigation, unless otherwise required by law. Employees must also be informed that refusal to answer questions may be considered in determining discipline.

Staff may be disciplined for violations of Board policy or for other failure to meet the expectations and obligations of their position. No staff member may be subject to arbitrary or capricious disciplinary action.

The District Administrator may issue discipline to staff members when he/she deems appropriate. The level of discipline may range from oral reprimands to suspension or termination. The level of discipline shall be consistent with the seriousness of the offense as determined by the District Administrator.

All instances of staff discipline are subject to the employee grievance procedure, set forth in Policy 4340.

TERMINATION AND RESIGNATION

TERMINATION

Employment may be terminated by the District Administrator.

Support staff employees subject to termination shall be given an opportunity to resign.

RESIGNATION

A support staff member may resign by filing a written resignation with the District Administrator.

A resignation, once accepted, may not then be rescinded.

The District Administrator may act for the Board in the acceptance of a resignation.

Policy 4140 Termination & Resignation

GRIEVANCE PROCEDURE

It is the policy of the District to treat all employees equitably and fairly in matters affecting their employment. Each employee of the District shall be provided an opportunity to understand and resolve certain matters affecting employment that the employee believes to be unjust. This section shall apply to all regular full-time, part-time, limited, temporary, and seasonal employees.

This procedure is available in the case of any employee's disagreement with discipline or termination of employment, as well as any matter relating to workplace safety.

A grievance shall mean a dispute concerning an employee's discipline or termination of employment, or a dispute concerning workplace conditions that affect workplace safety. Only one subject matter shall be covered in any one grievance. A written grievance shall contain:

1. the name and position of the grievant;
2. a clear and concise statement of the grievant;
3. the issue involved;
4. the relief sought;
5. the date the incident or violation took place
6. the specific section of the Policy Manual alleged to have been violated;
7. the signature of the grievant and the date.

All employee grievances must be filed by the aggrieved employee(s). The grievance must be filed within five (5) working days after the employee knew or should have known of the cause of such grievance. The following procedures shall be followed:

1. District Administrator:

This grievance shall fully state the details of the problem and suggest a remedy. The District Administrator shall, within five (5) working days of receipt of the grievance, meet and discuss the grievance with the employee and then reply in writing within ten (10) working days. This step does not apply to any grievance related to action by the Board that directly affects the grievant.

2. Hearing Before an Impartial Hearing Officer:

In the event the matter is not resolved to the employee's satisfaction by the District Administrator, the employee may, within five (5) working days of the date of the written decision of the District Administrator, request in writing that the matter be referred for a hearing before an impartial hearing officer. If the District Administrator denies the grievance based on whether the grievance is timely or relates to a covered matter (i.e. workplace safety, discipline or termination), the matter shall be referred to the Board for determination of whether the grievance may proceed. If the Board determined that the grievance may proceed, it will then be referred to the Impartial Hearing Officer. The Board shall appoint a hearing officer for the purpose of conducting the hearing. The Board may appoint a hearing officer or panel of potential hearing officers from which to select an officer for this purpose either on an ad hoc basis or by resolution adopted for a school year and delegate to the District Administrator the responsibility to arrange for such hearing with one of the selected officers.

Each grievance shall be heard by a single hearing officer and such hearings shall be private. The employee and the District may present witnesses, and each side may select one individual to attend the hearing as a representative. Any employee representative selected shall be at no expense to the District.

The Hearing Officer may only consider the matter presented to him/her in the initial grievance filed by the employee. The decision will apply exclusively to the employee presenting the grievance. The Impartial Hearing Officer shall have authority to run the hearing, including administering oaths, admitting evidence into the record, providing for transcription, etc. The Officer may not modify any Board policy and may not issue decisions on matters not presented to the District Administrator in the initial grievance. Any fees or costs charged by the impartial hearing officer shall be split evenly between the grievant and the District.

3. Board:

In the event that either party is dissatisfied with the hearing officer's decision, that party may within ten (10) working days, present the grievance in writing to the Board, who shall consider the matter within thirty (30) working days after its receipt, unless postponed by mutual agreement. The Board shall review the decision of the impartial hearing officer and may either issue a decision or determine that additional evidence or testimony is necessary and provide for a hearing for that purpose.

The Board's decision shall be by majority vote of a quorum present, which shall be final.

DRUG-FREE WORKPLACE

The Board believes that quality education is not possible in an environment affected by drugs. It will seek, therefore, to establish and maintain an educational setting which is free from alcohol and another drug abuse.

In accordance with federal law, the Board of Education prohibits the use, possession, concealment, or distribution of drugs by employees on school grounds, in school or school-approved vehicles, or at any school-related event. Drugs includes any alcoholic beverage, anabolic steroid, dangerous controlled substance as defined by State statute, or substance that could be considered a "look-a-like" controlled substance. Compliance with this policy is mandatory for all staff members. Any part-time or full-time employee who violates this policy will be subject to disciplinary action, in accordance with due process, up to and including termination. When appropriate or required by law, the District will also notify law enforcement officials.

The District is concerned about any staff member who is a victim of alcohol or drug abuse and will facilitate the process by which he/she receives help through programs and services available in the community. A staff member should contact his/her supervisor or the District Administrator's office whenever such help is needed.

Compliance with this requirement is mandatory.

Use of Resources for Treatment

The District is concerned about any staff member who is a victim of alcohol or drug abuse and will facilitate the process by which he/she receives help through programs and services available in the community. A staff member should contact his/her supervisor or the District Administrator's office whenever such help is needed.

However, the decision to seek diagnosis and accept treatment for alcohol, illegal drug use, or controlled substance abuse is primarily the individual staff member's responsibility. Any costs associated with treatment in excess of those costs covered by the staff member's medical insurance plan shall be borne by the individual.
