

DEAR ARROWHEAD COMMUNITY MEMBER,

We reach out to you today to request your involvement in determining the future of our high school. We encourage you to learn more about our school, our challenges, and why your response to a May community-wide survey is so important. Lastly, we invite you to attend an upcoming event at Arrowhead High School (AHS) so that you can learn firsthand about the funding and facilities challenges we face.

Arrowhead isn't just a school – it is a bustling hub of learning, sportsmanship and creativity, where over 2,000 remarkable students come together to thrive. We have a long-standing tradition of academic excellence and athletic and co-curricular success. AHS is the heartbeat for our community's children – children who often return to our community following their formal education. They become our neighbors and our community leaders!

Amidst our successes, we face a pressing challenge: our aging buildings and grounds are deteriorating. It has been 25 years since we have made a significant investment in AHS's academic facilities. These facilities require investment to better support rigorous academic practices rooted in collaboration, creativity, innovation, problem-solving and more. Meanwhile, neighboring communities like Kettle Moraine, Oconomowoc, Hamilton and Pewaukee are investing in their infrastructure.

We believe Arrowhead High School is one of the things that makes our community such a great place to call home. Our residents care deeply about AHS. We implore you to understand the needs of our school, and how investment in local schools imparts value to a community. In addition to the information on the opposite page, we encourage you to visit our website (<https://www.arrowheadschoools.org/LRFP/>) for more details. Moving forward, we will continue to provide information as we consider the next steps in our planning process.

But that's not all. We urge you to mark your calendars for our upcoming **"Pizza, Pop and Tour" being held at Arrowhead High School, South Campus Cafeteria on May 2 and May 9 from 6:00 PM - 7:30 PM.** These events, supported by non-taxpayer funds, afford opportunities to join other members of the community as you engage with our exceptional students and gain a firsthand understanding of our school's needs. Please join us either night, or contact Kate McGraw at (262) 369-3611 ex. 4110 to schedule a private tour.

Lastly, and importantly, please take a moment to complete the Arrowhead survey that will land in your mailbox in early May. Your input holds great value in guiding our efforts at Arrowhead to best reflect the values of our community.

We at Arrowhead respectfully turn to our community for assistance in determining the future of our school. Together, we possess the power to shape a bright future of opportunity for our students. We look forward to your engagement!

Sincerely,

Kim Schubert
School Board President

Conrad Farner
Superintendent

Adam Kurth
AHS Principal

ARROWHEAD HIGH SCHOOL: A TRADITION OF EXCELLENCE

Arrowhead High School is recognized throughout the region for outstanding academics, arts, and athletics. Our students and staff have amazing accomplishments:

AHS students devoted over 10,000 community service hours in 2022-23

Award-winning athletics, theater, and co-curricular programs

99% of students graduate in four years

AHS is among US News "Top High Schools in the Nation"

73% - 2023 graduates with a GPA of 3.0 or higher

1,196 Advanced Placement classes taken by AHS students in 2022-23

AHS is a destination district. However, AHS is aging. The original South building is **70 years old. The original North building is **55 years old**. There has not been a significant investment in AHS facilities in **25 years**.**

AHS is developing a plan to invest in AHS facilities. Your input is critical. Please take time to complete our community survey. Your input will help guide the school board's next steps.
