

## **STUDENT ACADEMIC STANDARDS**

Wis. Stat. requires that school boards place a notice on the agenda of the boards first meeting of each school year (July) that clearly identifies the pupil academic standards as adopted by the school board under s.118.30(1g)(a)1 that will be in effect for the school year.

North Lake School will uphold its existing standards which have been developed over the past thirteen years. North Lake School District's academic standards include a blend of Wisconsin Model of Academic Standards, Common Core State Standards, and locally-developed standards which can be accessed on our school website under the Academics menu.
