

The North Lake Education Foundation's Annual Frozen Pizza Fundraiser with Ney's Premium Meats and

Nico's Pizza is truly an authentic and local pizzeria pizza! Made with all premium ingredients, we start by par-baking our thin, cracker crusts, adding a bold and delicious pizza sauce containing Romano cheese, fresh garlic, tomatoes, and Nico's secret mix of herbs and spices! Our cheese is a premium blend of Mozzarella and Asiago from Wisconsin's own Grande cheese company. Add freshly cut vegetables and other premium meats from our own **North Lake family managed Ney's Premium Meats**, and you have one of the best pizza's around! Each pizza is hand-made fresh, flash frozen, then vacuum sealed to preserve freshness!
