

Dear North Lake Families,

Soon, it will be time to welcome everyone back for the 2026-2027 school year. On behalf of the North Lake School Board, I thank you for your strong support of our great K-8 school. We are all deeply committed to preserving our standing as one of the top school districts in the state, continually striving to provide the high-quality education our community expects.

2026-2027 SCHOOL CORE VALUE & THEME

The 2026-2027 school year core value is: **"CRITICAL THINKING"**. "We continually develop and challenge our capacity to think, reason, solve problems, and adapt to an every-changing world."

The school theme which expresses the core value in child friendly terms is: **"STOP, THINK, DECIDE"**

1st DAY OF SCHOOL

Time to Settle In

The first day of school is Tuesday, September 1st. We will immediately get down to business and promote our theme to **STOP, THINK, DECIDE!** This year students will go directly to their homerooms, not the Big Gym, where they will be welcomed by their homeroom teachers. Parents are encouraged to review and start the year with the normal pickup and drop-off procedures reflected in the Student Parent Handbook.

In closing, this 2026-2027 Student/Parent Handbook is a clear, consistent resource for the basic policies and procedures at North Lake School. As always, please do not hesitate to contact the office for additional information or follow up questions.

Sincerely,

Dr. Liesl R. Ackley
Superintendent & Principal
