

SAFE, SMART & CONNECTED: TECH TIPS FOR PARENTS

Wednesday, September 30th
6:30 to 8:00 PM

Helping Kids Thrive in a Digital World

Practical tools for parents navigating today's technology.

Learn how to help your children use technology safely, responsibly, and confidently.

We'll cover:

- Online safety & social media
- Screen time & healthy digital habits
- Grooming prevention and awareness
- Setting boundaries and creating balance at home

About the Presenter: Krystal Chase, MS

Krystal has 14 years of experience supporting survivors of intimate partner violence, human trafficking, and child abuse through The Women's Center. She provides community education, violence prevention, and technical training throughout Waukesha County.

She is a Certified Clinical Trauma Specialist in sex trafficking/exploitation and individual trauma, and holds a master's degree in Community Counseling from Mt. Mary University.

Location:

St. John's United
Church of Christ
