

NORTH LAKE SCHOOL

FIRST LEGO LEAGUE BIOGLOW

2026-2027 ROBOTICS SEASON

Experience the vibrancy of the world's ecosystems.

NLS Robotics - design, build, code, test, and solve problems as a team.

We're stepping up our game! This isn't the LEGO Club of years past - this is NLS Robotics! We're looking for students who are serious about STEM and ready to learn robotics.

RETURNING STUDENTS: NLS will field its first FIRST competition team this year!

WHEN & WHERE

Fridays at 2:30 PM

Starts Friday, 9/25/26

K-4 Maker Space | More details to come

REGISTRATION FEE

\$20 per student

Helps pay for supplies. Need assistance?

Please email us - we want every student included.

HOW TO REGISTER

Email the information below to:

gcornell@supportnls.org

- Student Full Name
- Parent Name
